

Support Our Marines - Because Freedom Isn't Free

Want to send your support to A Marine in harm's way,
but have no idea of what to send, who to send it to, or how to send it?

We have "adopted" Marines in 10 - 15 Companies serving in OIF & OEF some of whom get little or no mail. Thanks to the new Flat Rate boxes, we are currently sending 60 - 80 packages per month. These are men & women who are uncomfortable, fighting, and.... dying in service to their country and I would like to provide comfort & a piece of "home" during their deployments. For some of them, this may be the last act of kindness that they will ever see. As units rotate home, we adopt more and plan to continue doing so indefinitely. **This is about SUPPORT not just STUFF. A letter from you, your children or the kids at church or school is THE BEST THING to send.** A show of personal support is one of the most priceless items to a Marine serving in the Middle East.

Shipping Costs alone run \$650 a month so (tax deductible) cash donations are always gratefully accepted and encouraged.

PLEASE HELP US CONTINUE TO SHOW THAT THE BAY AREA CARES!
